

Country Statement Analysis: Commitments from Country Participants

Draft - August 1, 2010

Commitments taken from Country Statements to the 2010 High Level Meeting

KEY

PP = Political Prioritization

NPP = National Plans and Processes

EBDM = Evidence-Based Decision Making

SWA = Sanitation and Water for All

Shaded are duplicates, listed twice because they fall under two monitoring goals

	Country	Commitment Type	Commitment	New/Existing	Monitoring Goal (#) (Linked to Mon. Matrix)
1	Angola	SWA	Commits to joining SWA and agrees to guiding principles	New	15
2	Angola	PP	Encourages their government to give the highest priority to sanitation (from transcript)	New	6
3	Angola	SWA	Commits to attending future HLMs	New	15
4	Angola	PP	Hold a National Inter-ministerial Meeting (e.g. Angolan Government Ministries of Water, Environment, Health, Education and Territorial Administration + Finance) in September 2010 and organize a National Workshop on Sanitation for poor peri-urban areas in October 2010.	New	6
5	<i>Angola</i>	<i>PP</i>	<i>Hold a National Inter-ministerial Meeting (e.g. Angolan Government Ministries of Water, Environment, Health, Education and Territorial Administration + Finance) in September 2010 and organize a National Workshop on Sanitation for poor peri-urban areas in October 2010.</i>	<i>New</i>	<i>7</i>
6	Angola	PP	Maintain current planned budget allocations of 2% of the National state budget.	Existing	2
7	Angola	PP	Improvement of government-led sector coordination		4
8	Angola	EBDM	Plans to respond to future GLAAS surveys	New	9
9	Angola	NPP	Use coverage data in allocation decisions to ensure targeting to the unserved populations, especially in the peri-urban areas		12
10	<i>Angola</i>	<i>SWA</i>	<i>Use coverage data in allocation decisions to ensure targeting to the unserved populations, especially in the peri-urban areas</i>		<i>16</i>
11	Angola	EBDM	Improvement of national monitoring systems		9
12	Angola	NPP	Identification and cross-sectoral analysis of key bottlenecks in coordination with the provincial and municipal authorities.	Existing?	13
13	Angola	PP	Strengthen accountable institutions where they are lacking		4
14	Angola	NPP	Scale up the revitalization strategy actionable national plans and planning frameworks in partnership with key WASH stakeholders led by the Ministry of Environment		14
15	Angola	NPP	Addressing of human resource capacity gaps at all levels		13
16	Angola	PP	Strong national leadership on bringing coherence to the sector's plans and strategies.		4
17	Angola	NPP	Ensure school WASH guidelines		14
18	Angola	NPP	Roll out of the CLTS in all rural municipals		14
19	Bangladesh	EBDM	Sanitation census planned for 2010 to gain understanding of gaps in coverage	New	9
20	Bangladesh	EBDM	National Management Information System for the sector is proposed	New	9
21	Bangladesh	NPP	Developing a National Hygiene and Promotion Strategy	New	14
22	Bangladesh	NPP	Sector Development Programme is being revised for 2010 and will ascribe accountability and outline plans for cities, towns and rural areas for the sector		14
23	Bangladesh	PP	Extend authority of local government institutions over service providers in order to strengthen accountability		4
24	Bangladesh	SWA	Endorse Sanitation and Water for All guiding principles	New	15

25	Bangladesh	PP	Ensure safe water supply and sanitation for all by 2011 & 2013, respectively		5
26	Bangladesh	PP	Expand annual development budget allocations for sector from 2.5% to 5% of total available funds in 2009		2
27	Bangladesh	PP	Government commits \$716 million and development partners commit \$629 million		2
28	Bangladesh	PP	Creation of a US \$200 million fund for providing arsenic-safe water, which will reduce the \$600 million financing gap by one third		2
29	Bangladesh	NPP	Initiate sector reforms, build capacity of sector institutions		13
30	Bangladesh	PP	Reinforce the regulatory role of sector lead agency		4
31	Burkina Faso	EBDM	Improve monitoring and evaluation activities, through conducting a situation analysis in 2010 on the safe disposal of wastewater and excreta.		9
32	Burkina Faso	EBDM	Respond to future surveys for the GLASS report	New	9
33	Burkina Faso	EBDM	Improve coordination and monitoring systems for water and sanitation		9
34	Burkina Faso	PP	Sanitation and hygiene promotion campaign will be implemented at national scale and will be launched by the president in May 2010		7
35	Burkina Faso	NPP	Commitment to strengthen absorptive capacity at local level institutions and in communities		13
36	Burkina Faso	SWA	Commit to participating in future HLMs	New	15
37	Burkina Faso	SWA	Join the SWA initiative and subscribe to its guiding principles	New	15
38	Burkina Faso	NPP	A "Water and Sanitation" Partnership framework will be established in May 2010 by the government to improve partner and funder coordination as well as improve sector finance within the national budget.		14
39	Burkina Faso	PP	Will allocate 1 billion (CFA) of domestic resources for sanitation		2
40	Burkina Faso	NPP	Plans to complete 105,000 family latrines, 1,570 drilled wells and 200 simplified drinking water supply systems in rural areas		14
41	Chad	SWA	Join the SWA initiative and share goals and guiding principles	New	15
42	Chad	SWA	Will attend the HLM each year	New	15
43	Chad	PP	Has committed to allocating CFA 500 billion over the next 7 years for water and sanitation. 10% of that funding will come from the government each year.		2
44	Ethiopia	EBDM	Respond to future surveys for the GLASS report	New	9
45	Ethiopia	NPP	Continue to target and reach unserved populations using access and coverage data to guide budgetary allocations and geographic focus	Existing	12
46	<i>Ethiopia</i>	<i>SWA</i>	<i>Continue to target and reach unserved populations using access and coverage data to guide budgetary allocations and geographic focus</i>	<i>Existing</i>	<i>16</i>
47	Ethiopia	EBDM	Improve national monitoring and information management systems including: WASH inventory, strengthen National Health MIS and Water Resources MIS		9
48	Ethiopia	NPP	Assess and improve the WASH planning and coordination process by strengthening national plans and partnerships		14
